Presenting

## Profile

*Designer, Motion Designer, Problem-Solver, And Card Collector*

Driven designer, collaborator, and collector with a passion for learning more about everything there is to know about design. Whenever I am not working on design, I am looking for inspiration, keeping up on latest trends, or talking about games and more ideas!

## Experience

**Studio 165+** *Graphic Designer*  
*Fall 2017-2018*

Role as Production and Quality Control Manager. Working with other students in an award winning design studio at Ball State University. Working with clients, creating identity manuals, and meeting deadlines.

**Pokemon Trainer's Union**

*Public Relations And Designer, Fall 2018*

Creating promotional print collateral, managing resources, and managing social media. Working with a team of like-minded individual to run and promote an on campus organization at Ball State.

**Original Frozen Custard**  
*Freelance Designer*

Performing research, creating custom print-ready designs, branding, and other advertising deliverables. Collaborating with printing companies: JH Saylor Co. and DART to create print ready designs.

**Find8 Digital** *Web Designer*  
*Summer 2018*

Role as a Graphic Designer on a diverse team in performance marketing. Working with others, meeting client's needs, presenting ideas in a professional environment, and problem solving. Working to design websites with stand out features that work on any screen size.

**Ball State Dept Of English**  
*Project Manager, Spring 2018*

Leading a class project to design, measure, and hang up many vinyl designs for Ball State's English department. Gathering team members, creating layouts to best fit a space, measuring, printing, and applying vinyl on site.
